PROGRAM OBJECTIVES
1. "Sri Shakyaputhra Scholarships" is a programme that matches sponsors with children who are attending school/university and are in need of financial support. We believe that children are the future pillars of our nation and that education is crucial to success; therefore, its purposes are to give children a support system as they pursue academic excellence, and to create a new generation of ambitious and successful individuals. 2. "Sri Shakyaputhra Scholarships" Sponsors partner with us in support of this mission by providing children who are based in Sri Lanka with financial support to help them complete school and possibly higher education, pursue a successful career, and create a stable and productive environment for themselves. Initial focus will be around Mullaitivu district, Sri Lanka with the aim to expand the horizons over the coming years.
SPONSOR'S FINANCIAL RESPONSIBILITIES AND GUIDELINES
1. Sponsorships are a multi-year commitment. A Sponsor agrees to a sponsorship amount for each year that the Scholar attends school/university. For example, if a Scholar is attending grade 9, their Sponsor would provide LKR 1,500 month or LKR 18,000 per annum. If you are unable to make a long-term commitment, we may be able to match you with a Scholar in collaboration with another sponsor. You will need to confirm in writing whether you are able to make the increased contribution 3 months in advance for us to be able to find a suitable sponsor who is willing to collaborate. 2. Financial annual contributions are due by 01st December each year or can be paid monthly on an agreed date to our bank account in Bank of Ceylon Welioya- Sampathnuwara branch. Please use the sponsorship reference number when depositing money to our account and send us any receipts via post or email. 3. Companies/organisations must designate one individual to serve as the main point of contact. 4. In addition to financial contributions, Sponsors may choose to provide in-kind donations for their Scholars twice per year and on ad-hoc basis. In December and May, "Sri Shakyaputhra Scholarships" Scholars will provide a Wish List of needed items. For example: Notebooks and other school items, School bags, calculators, shoes, uniforms, etc. In addition, one off expenses such as examination costs, travelling expenses, medical expenses etc. which may be needed by the Scholar.
